

AMENDMENT TO THE SPECIFICATION

Kindly amend the specification, without prejudice, without admission, without surrender of subject matter, and without any intention of creating any estoppel as to equivalents, as follows.

Please replace the paragraphs on page 3, lines 25-36, with the following rewritten paragraph:

-- The invention relates to a tool holder comprising a body with a channel intended to receive the end of the tool, and variants thereof. The invention further comprises the tool holder and a flexibly deformable tool, and variants thereof. Finally, the invention comprises two alternative embodiments relating to additional variants of the tool holder and tool device.--
